Think Academy Hong Kong,

is hosting a themed career sharing session tailored for aspiring talents who are interested in the education industry. The session aims to deliver practical, industry-leading information and professional career guidance to help participants clarify their career planning and enhance workplace competitiveness.

The sharing session covers four key themes, including the latest education industry trends, future career development paths, industry salary profiles, and essential workplace competencies for education practitioners.

Following the career sharing session, a one-on-one resume diagnosis session will be provided on-site for attendees. **The resume diagnosis service is limited to 20 attendees** on a first-come, first-served basis, helping participants polish their resumes and gain a competitive edge in job hunting.
