

Faculty of Science

Postgraduate Welcome Guide

2025 - 26

Welcome to the Faculty of Science at

The Chinese University of Hong Kong (CUHK)

The Faculty of Science at CUHK is dedicated to educating and inspiring the next generation of scientific innovators and leaders, while expanding the frontiers of human knowledge. We take great pride in our community of over a hundred distinguished scientists conducting cutting-edge research across diverse scientific fields. Our faculty have earned a vast number of competitive research grants and awards from local, national, and international commissions, underscoring our commitment to research excellence and the advancement of science over the past six decades.

香港中文大學理學院
FACULTY OF SCIENCE
THE CHINESE UNIVERSITY OF HONG KONG

The Faculty logo reflects the experimental nature of "Science". It is organic and revolving. It subtly forms a triangular pointer leading forward. The rich colour suggests the solid achievements of the Faculty. The tone and manner of the brand identity is inspirational, powerful and academic.

This guide is one of many resources to help you familiarise yourself. The information in this guide is current as of 1 August, 2025. This guide should be read in conjunction with the relevant guidelines, including but not limited to the General Regulations Governing Postgraduate Studies, Code of Practice, General Framework of Taught Postgraduate Programmes, etc., as they contain up-to-date important information to support your studies. Please note that the details are subject to change due to the updates on the relevant guidelines. If you have any concerns, please consult your supervisor or the Graduate Division. They are here to assist you throughout your academic journey.

Dean's Message

Starting a postgraduate study is an important step for building a successful professional career. On behalf of the Faculty of Science at The Chinese University of Hong Kong (CUHK), I would like to extend our warm welcome to you as you begin your postgraduate study at CUHK Science. The Faculty of Science has proudly marked over six decades of excellence since its establishment in 1963 as one of the founding faculties of CUHK. This anniversary not only celebrates our rich history but also signals the beginning of a new era of innovation and achievement. We are delighted to have you join us as you embark on this exciting new chapter.

In 2025, we expanded our research portfolio with the establishment of the *State Key Laboratory of Quantum Information Technologies and Materials*, bringing the total number of State Key Laboratories hosted by our Faculty to three. This development reinforces our leadership in pioneering scientific research.

Our commitment to excellence is also reflected in our role in five Areas of Excellence (AoE) projects, including the newly launched *Centre for Plant Vacuole Biology and Biotechnology*. These five projects, out of CUHK's fifteen AoEs, highlight the Faculty's central role in advancing impactful and collaborative research.

We are committed to fostering a supportive and inclusive environment where you will be part of a vibrant, diverse community. We encourage you to connect with peers, engage in academic and social activities, and explore interdisciplinary collaboration. To help you thrive, we've invested in advanced learning and research facilities, along with a wide range of academic and residential resources. Make the most of these opportunities, and know that we're here to support your research journey and personal growth. We hope your time at CUHK Science will be enriching and rewarding.

Prof. SONG Chunshan

General Information on Postgraduate Programmes Regulations & Courses

CUHK Science offers more than 20 postgraduate (PG) programmes, with about 1300 postgraduate students studying across eight Graduate Divisions. It is important to take timely actions to maintain the student status by observing relevant rules and regulations, enrolling course(s), achieving satisfactory academic performance and progress, and paying fees according to respective schedules.

Every postgraduate student is assigned an "Academic Advisor", who will provide general advice for students on issues such as course selection, guided study and adaptation to University learning mode.

Academic Advisory System

Honesty in Academic Work

CUHK places very high importance on honesty in academic work submitted by students, and adopts a policy of ZERO tolerance on academic dishonesty.

Academic Honesty Guide

Fabrication

Inaccurate Citation

Plagiarism

Collusion

Undeclared Multiple Submissions

Misrepresentation

For any enquiries, please contact your respective Graduate Division.

Taught Postgraduate (TPg) Programmes

All TPg students are required to fulfil a set of graduation requirements as prescribed by the programme in order to graduate. Students should refer to the Course List, Course Description, and Study Scheme of their own programmes in the *Postgraduate Student Handbook* for details.

Code of Practice "CoP" (TPg)

GSO PG Student Handbook

Not less than
24 units

Take at least one course in each term; Approval is required otherwise

Study Period	Normative		Maximum	
	Full-time	Part-time	Full-time	Part-time
	12 months	24 months	36 months	48 months

Beyond the normative study period, students will be classified as "Continuing Students". A student who cannot complete all requirements within the maximum study period shall be **DISCONTINUED** from studies at the University.

Leave of Absence	Medical Leave > 3 weeks	Non-medical Leave ≥ 1 month
	Supported by a medical certificate signed by a registered medical practitioner	Considered as taken leave for the given term

Leave Application Guide

A student who has been absent without approved leave of absence or who is in breach of the residence requirements for a continuous period exceeding ONE month will be considered as having **WITHDRAWN** from studies.

Academic Performance

Academic Probation	- Cumulative GPA (cGPA) < 2.0 - Probation shall be lifted when cGPA ≥ 2.0 or attained satisfactory progress
Unsatisfactory Performance Leading to Discontinuation	- cGPA ≤ 1.0; or - Fails to have probation lifted after being put on academic probation for 2 consecutive terms of attendance; or - Other requirements laid down by the Graduate Division are not satisfied

Please contact your respective Graduate Division for more information.

Research Postgraduate (RPg) Programmes

All RPg students are required to fulfil a set of graduation requirements as prescribed by the programme in order to graduate. Students should refer to the Course List, Course Description, and Study Scheme of their own programmes in the *Postgraduate Student Handbook* for details.

Code of Practice
"CoP" (RPg)

GSO PG
Student Handbook

Study * Period	Degree	Research master's degree	Normative		Maximum	
			Full-time	Part-time	Full-time	Part-time
	PhD	✓	36 months	48 months	84 months	96 months
		✗	48 months	64 months	84 months	96 months
	PhD (MPhil-PhD Programmes)	✓	36 months	48 months	72 months	84 months
		✗	48 months	64 months	84 months	100 months
	MPhil	N/A	24 months	36 months	48 months	60 months

* The University reserves absolute discretion to decide whether the degree possessed by a student is a research master's degree or not, such decision to be communicated through the admission notification.

Beyond the normative study period, students will be classified as Continuing Students. A student who cannot complete all requirements within the maximum study period shall be **DISCONTINUED** from studies at the University.

Leave of Absence	Annual Leave with PGS ^Δ	Academic Leave with PGS ^Δ	Non-Academic Leave
	14 days per academic year including medical leave [#]	In-residence leave for conference and other academic purposes	No-pay leave i.e. leave with PGS ^Δ suspended

Leave
Application
Guide

Application Pathway

MyCUHK ▶ CUSIS ▶ Applications ▶ Online Application (PG)

^Δ PGS: Postgraduate Studentship

[#] For medical leave >3 weeks, a medical certificate signed by a registered medical practitioner shall be provided and additional endorsement is required. Please contact your respective Graduate Division for more information.

ALWAYS reserve sufficient time to submit your leave application and seek your principal supervisor's endorsement before taking any leave. A student who has been absent without approved leave of absence for a continuous period >1 month will be considered as having **WITHDRAWN** from studies.

Candidacy Examination and Qualifying Examination are two different terms used in the assessment of PhD students who are admitted under the "articulated" (i.e. MPhil- PhD) and "non-articulated" programmes, respectively.

Candidacy Examination	Degree	Research master's degree	Mode of Study	
			Full-time	Part-time
	PhD	✓	24 months	32 months
	PhD	✗	36 months	48 months

Qualifying Examination	For "non-articulated" programmes, Qualifying Examination should be taken within first two years in general, but students should consult with their respective Graduate Divisions.
---------------------------	--

Academic Progress	Study Plan	Progress Report
	Submit at the BEGINNING of each academic year	Submit at the END of each academic year

Students are required to submit a Data Management Plan (DMP) during the first year of study, with effect from the 2025-26 intake.

Submission Pathway

MyCUHK ▶ CUSIS ▶ Academic Progress ▶ Study Plan & Progress (RPG)

Academic Performance

Academic Probation	- Cumulative GPA (cGPA) < 2.0 - Probation shall be lifted when cGPA ≥ 2.0 or attained satisfactory progress
Unsatisfactory Performance Leading to Discontinuation	- cGPA ≤ 1.0; or - Fails to have probation lifted after being put on academic probation for 2 consecutive terms of attendance; or - Other requirements laid down by the Graduate Division are not satisfied

Please contact your respective Graduate Division for more information.

Improving Postgraduate Learning (IPL) & Research Ethics Training (RET)

IPL

RET

Required Courses/Modules

The IPL programmes are organised by Graduate School Office (GSO) and Centre for Learning Enhancement and Research (CLEAR).

In each IPL & RET, you need to:

Attend courses/
Complete all online modules

Pass examination
(On-site/Online)

Attendance will be reported to the respective Graduate Division and supervisors. Students who fail to meet the course requirements, including attendance, may jeopardise their eligibility to take the candidacy exam or graduate on time.

Other Recommended Modules

CUHK Library also offers workshops for postgraduates, researchers and faculty members. These workshops are designed to enhance research skills and provide valuable resources for academic work.

Learn More

Please contact your respective Graduate Division for more information.

Thesis Writing & Submission Procedures

Students should be mindful of the Thesis/Portfolio Submission Deadline and take timely action.

Deadline for Final Thesis Submission to GSO	28 Feb	30 Jun	31 Aug
Degree Conferment Date	31 Mar	31 Jul	15 Oct

Assessment Process

If a student fails to submit the thesis or complete programme requirements by the deadline/submission is not passed, then he/she will be put on "continuing status" until the successful completion of the thesis/reaching the maximum study period.

GSO has also published a document "Research and Thesis Writing" which focuses on the structure of a thesis and provides advice on the areas of research and thesis writing techniques.

Access Pathway

GS Platform (Students)

Research and Thesis Writing

Departmental Duties & Teaching Assistance

As a condition of the Postgraduate Studentship (PGS) award, RPg students shall carry out duty assignments relating to teaching and research as part of their postgraduate studies, normally not more than 12 hours per week on average.

Students who will take up teaching assistant (TA) duties are required to attend "Professional Development Course for Teaching Assistants" IPL courses offered by CLEAR.

Please contact your respective Graduate Division for more information.

Facilities for Learning & Research

Research Facilities Available for Postgraduates

Below is a brief introduction to the research facilities available in each academic unit. Please consult your supervisors and the respective Graduate Division for more information.

Library Service

Learning Garden equips with computer workstations consisting of both Mac and PC computers, moveable SMART Board and TV designed for group work and flexibility. MakerSpace provides 3D printing and 3D scanning, AR & VR equipment and software, laser cutting & UV printing, software for image editing, 3D modelling, etc.

Learning Garden & MakerSpace

Peer Tutoring Scheme to Improve Your English

Organised by English Language Teaching Unit (ELTU), "Peer Tutoring Scheme" offers informal opportunities for students to consult trained Peer Tutors on the use of English language in different areas of need, in particular, speaking and writing.

ELTU

Learning Enhancement Consultation Service

The Learning Enhancement Officers (LEOs) run a regular drop-in consultation service during term time for full-time postgraduate students to meet with the LEOs face-to-face to discuss anything about study and answer questions.

LEOs

Information Technology Services Centre

Information Technology Services Centre (ITSC) has consolidated some essential IT services for you as a new student quick start guide. These include using vital IT services such as email, Wi-Fi, teaching tools, and free software to facilitate your study.

ITSC

Scholarships & Overseas Learning Opportunities

There are a wide range of scholarships and financial support that may be applicable for you. Below are some examples that you may consider.

Scholarships Opportunities

Below are some scholarships available for application/nomination by your Graduate Division

- Belt and Road Scholarship (RPG)
- CUHK Convocation Postgraduate Admission Scholarships (TPg)
- Croucher Scholarships for Doctoral Study
- Croucher Fellowships for Postdoctoral Research
- RGC Junior Research Fellow Scheme
- Young Scholars Thesis Award

Overseas Learning Opportunities

- CAS – CUHK Research Internship Programme in Major Scientific Research Infrastructure
- PhD International Mobility for Partnerships and Collaborations Award
- Research Postgraduate Student Grant for Overseas Academic Activities
- Science Faculty Dean's Postgraduate Conference Award
- Other Financial Supports from Graduate Divisions

Visit the following websites for more scholarships and overseas learning opportunities:

General Reimbursement Procedures for Conferences & Other Expenditures

The checklists below would help you apply the reimbursement for conference trips and other expenses.

Checklist for General Expenses

- ☐ Discuss with your supervisor the needs of purchasing specific items
- ☐ Consult for the requirements/guidelines before purchasing
- ☐ Follow the requirements and keep ALL required documents, e.g. invoices, transaction record, delivery notes and receipts and submit them to responsible staff for reimbursement

Checklist for General Conference Trips

- ☐ Check the aforementioned websites or ask your Graduate Division for the funding support opportunities
- ☐ Inform your supervisor about your conference plan and submit your application
- ☐ Keep ALL required documents related to the conference, e.g. acceptance notice/ invitation letter, conference programme
- ☐ Keep ALL original receipts/invoices, e.g. registration fee, airfares, hotel reservation, boarding pass etc.
- ☐ Submit your reimbursement request

Student
Affairs

Student Helper Engagement Scheme

SHES

The purpose of the Student Helper Engagement Scheme (SHES) is to provide opportunities for paid campus work to students, in the form of assisting University academics/administrators in their projects.

Eligible

- ✓ Local registered full-time CUHK students
- ✓ Non-local registered full-time CUHK students with No Objection Letter (NOL) issued by HKSAR Immigration Department
- ✓ Full-time postgraduate students receiving studentship and the like from the University with approval of Heads of Graduate Divisions

Not Eligible

- ✗ Exchange-in students
- ✗ Associate students
- ✗ Students during suspension period except for exchange-out/study abroad*
- ✗ Postgraduate student taking Leave of Absence*

* Registration for SHES will be allowed when the suspension/leave of absence ends

Diversity & Inclusion

The Faculty is committed to building a welcoming community founded on the core values of openness, civility, and inclusivity. We strive to ensure that admission and advancement are determined solely by personal merit and performance, with due respect for one another regardless of differences. Our aim is to be a place where you can get closer to reaching your dreams.

We Love Hearing from You

The Faculty highly values open communication and strives to create a supportive and engaging environment for our postgraduate students. We encourage you to reach out to us with any questions, concerns, or suggestions you may have during your academic journey.

Our dedicated faculty members and academic units are here to provide guidance and support. Whether you need assistance with your research, have inquiries about course selection, or simply want to share your thoughts, we are eager to hear from you.
